

Dear Families and Friends,

Sports Relief Week: Wow what an amazing day. It has been wonderful to see our children supporting Sports Relief 2020 wearing their chosen sports kits! All money raised will help to fight inequality to create a better, fairer world – free from poverty.

Daily Mile children visit Nottingham Trent University: This year we have been supporting a Daily Mile project with Nottingham Trent University. Y5 children who participated in the study were invited to Nottingham Trent University's Sports Science Laboratories. The children had a fantastic morning experiencing university life and came back enthused.

Year 2 SATs meetings (Monday): Thank you to all our families who were able to join us for our SATs parent information sessions this week. We hope that you found them useful. If you have any further questions, please do not hesitate to ask the Year 2 staff. ★

Principal's Coffee Evening (Wednesday): Thank you for the feedback and discussion at the Coffee evening that took place on Wednesday. It is great to hear positive feedback about communication between school and families, school events and our approach to reading. A presentation about pupil wellbeing was shared and plans for the new main playground viewed and discussed. Conversations also focused on how we can enable more children to access school clubs and our response to the Coronavirus.

Coronavirus Update (COVID-19)

At Fairfield Primary Academy we are following Government guidance regarding the Coronavirus.

At the present time school remains open as usual.

As information is shared with schools via the Department for Education (DfE), we will update you regarding our response to the recommended actions to take via email and text. Our school website will also be updated with the most current information and guidance.

Our Risk Procedures and Risk Assessment (shared in previous correspondence) along with a Continuation of Learning Plan on the final page may be referred to should you be advised to self-isolate.

World Down Syndrome Day:

On Friday March 20th we will be supporting World Down Syndrome Day. We would love everyone to wear odd socks, lots of socks, any socks! To help get the world talking about WDS. #LotsOfSocks, #WorldDownSyndromeDay #WDS20

Maisie's 'Fundraver' Party Day – Friday 3rd April 2020:

On Friday 3rd April we will be having a special day at school in memory of a much loved and missed member of our Fairfield Family, Maisie Bowers. Maisie loved colour animal print and parties – so we are celebrating in style with all of her favourite things. The day will be a huge celebration of Maisie's life and will have lots in store including: Cake Sale, Animal Art, Rainbow Crafts, Face Painting, Dancing and Singing and a Party Lunch.

We would like all children to come along dressed in bright neon colours, and/or animal print and to donate £1 to the fund raising pot. All money raised on the day will go towards buying art and craft resources for the Paediatric High Dependency unit at Queen's Medical Centre, who cared for Maisie brilliantly when poorly.

If you have any questions about the day or would like to offer your support to make the day a success (e.g. face painting skills are always welcomed!), please do not hesitate to contact the school.

Many thanks, Emma (Maisie's mum), Mrs Sadler and Mrs Shaw. X
