

## Highlights this Week:

Dear Families and Friends,

We have had another fantastic week at Fairfield.

Our Y4 children delighted an audience of friends and families with the most fabulous singing performances on Wednesday 13<sup>th</sup> November. A huge thanks to Mrs Pascall who has been working with our children over the past month, developing their confidence and skills in singing in two part harmonies. Children loved the opportunity to perform and it was wonderful to see their smiles and enthusiasm throughout the performances.

Y2 children visited Cadbury World on Monday, they loved learning about the production of chocolate and will use this information to help with their ideas and designs for their very own enterprise projects this half term. Look out for the products they will be selling at our Winter Fair!

We are excited to announce that our new library has been installed in the entrance and on the corridor near the hall. We look forward to introducing this to the children over the following weeks, as children from all classes will be able to come and use the space to enjoy reading.

Thank you for all of your support with our whole school 'slumber party' for Children in Need. Your donations will help to change the lives of children and young people across the UK.

## Fairfield Minibus!

We are pleased to announce the arrival of our new school minibus. This will be used to transport our children to extra-curricular events and trips, such as sporting competitions. Please give us a wave if you see us passing by. 😊

## Flu Vaccinations

Flu Vaccinations will be taking place on Thursday 21<sup>st</sup> November.

Please remember to complete the parental consent form online. If you are having difficulties please call the School Aged Immunisation Team on 07920 182032 or email at:

[schoolagedimmunisationteam@nottshc.nhs.uk](mailto:schoolagedimmunisationteam@nottshc.nhs.uk)

## Car Parking:

Thank you to all parents/carers who continue to park safely in side streets further away from school. This is making it much easier for school and our neighbours.

If you wish to raise any concerns regarding parking, please may we request that you contact Nottinghamshire Highways Agency. We hope that our collective voice will help to make a positive difference.

**Pro-Friendship Week:** This week we have supported national Anti-Bullying week which is focusing on: Small change. Big difference.

In class, children have discussed who they can talk to if they are worried or have a problem and have been focusing on our one school rule: Be Kind. It encompasses all of our SHINE values and is the rule by which we all conduct ourselves both at school and beyond.

'Just to say' postcards are available in the reception area. If you would like to nominate a child/member of staff who has been kind and a good friend. Please feel free to complete a postcard and hand it in to the office staff, these will be delivered on a weekly basis. #BeKind #Pro-Friendship #AntiBullyingWeek #ChangeStartsWithUs
